jewelry in context - a Gijs Bakker project

During Inside Design Amsterdam, we were guests at the magical Looiersgracht60.org We showed the Global Identity exhibition, we showed our entire collection, including the Haute Couture pieces from Ron Arad, Marcel Wanders and Marc Newson AND we showed our new identity to the world!

Thank you Ted, Noon, Joon, Dinie and Natasja for dropping by as representatives of the Global Identity project, thank you to everybody who visited us and a big very special thank you to Soraya Notoadikusumo for her hospitality.
